

Georges River Land Trust
**Watershed Fund
Endowment Challenge Campaign**

The Georges River Land Trust has created an endowment, the Watershed Fund, to ensure organizational strength for the future. An endowment can deliver a stable, dependable, perpetual source of funding to assure protection of the St. George river, wildlife habitat, working farms and forests, and our quality of life in Maine.

Now we have an opportunity to **double the value of your gift through a \$25,000 matching grant**. For a limited time, the Maine Community Foundation will match every dollar donated to the Watershed Fund. Cash, pledges, stocks, and irrevocable planned gifts can all be the match.

***FROM THE RIVER
TO THE HIGHLANDS
TO THE COAST***

A gift to GRLT's Watershed Fund will:

- Leave a lasting legacy in your name.
- Ensure GRLT will be a vibrant organization now and in the future.
- Recognize you as a supporter of conservation in your lifetime and beyond.

Please give today to double your gift!

*Working with communities to
conserve special places.*
